EXPERIENCE

Data Entry – King's College Hospital, 2013

For my secondary school work experience, I spent a few weeks working as a data entry clerk, where I began learning Excel and maintained a structured work schedule for the very first time.

EDUCATION

Certificate of Higher Education – University of East Anglia, 2015-2018

Studied Computing Science.

A-Level – The UCL Academy, 2013-2015

Achieved grades BBC, with a B in Mathematics and Computer Science.

GCSE – William Ellis School, 2008-2013

Achieved 8 A*-C grades, including an A* in Religious Education and an A in English Language, Maths and History.

HOBBIES

Graphic Design

As an extension of my experience and knowledge with web design, with focus on typography, colour theory, and retro web design trends.

Photography

Hobbyist photographer since June 2022, starting with smartphone photography before moving on to DSLR photography with a focus on ultra wide and telephoto shots.
